

Teen Pregnancy — Survey questions

Q1. How concerned are you about the problem of teen pregnancy?

- Very concerned
- Somewhat concerned
- Not concerned

Q2. To PREVENT teen pregnancy in your community, which of the following programs would you support?

Select one response in each row.

Programs that would ...	Would <u>strongly</u> support	Would <u>somewhat</u> support	Would <u>not</u> support
... teach kids about birth control			
... teach kids about abstinence			
... require public and private health plans to provide coverage for birth control			
... make emergency contraception (the 'morning-after pill') available at pharmacies, <u>without</u> a doctor's prescription			

Q3. To DISCOURAGE teen pregnancy in general, which of the following programs would you support?

Select one response in each row.

Programs that would ...	Would strongly support	Would somewhat support	Would not support
... <i>not</i> provide public welfare money for teenage moms			
... require all teen <u>mothers</u> to contribute community service regarding child care			
... require all teen <u>fathers</u> to contribute community service regarding child care			
...require paternity testing for all pregnancies for which public funds are used to pay for the mother's and child's medical care			

Q4. To PREVENT FURTHER teen pregnancy for teen moms who already have a child, which of the following programs would you support?

Select one response in each row.

Programs that would ...	Would strongly support	Would somewhat support	Would not support
... provide medical care coverage for the mom to give her advice about contraception and coverage for medications			
... provide 'teen and tot' programs in local schools, to encourage teenage moms to finish their high school degrees			
... provide medical coverage for children but <i>not</i> for the mothers during future pregnancies
