

National Poll on Children's Health

School Action on Bullying – Survey Questions

Please think about bullying that happens during school hours or activities, and on school grounds. The bullying might be face-to-face, or electronic through cell phones or social media.

Some schools call it “bullying” when one student repeatedly behaves in certain ways toward another student.

Q1. Which of the following patterns of behavior between students do you consider bullying?

	Definitely <u>not</u> bullying	Might be bullying	Definitely bullying
Embarrassing or humiliating a student			
Isolating a student socially, such as refusing to talk to or include a student			
Spreading rumors about a student			
Making a student afraid for his or her physical safety			

Q2. For each of the following, imagine that the behavior happens during school hours or activities, and on school grounds. Do you think the school should take action?

	School should <u>NOT</u> take action	School <u>SHOULD</u> take action	Not sure
Embarrassing or humiliating a student			
Isolating a student socially, such as refusing to talk to or include a student			
Spreading rumors about a student			
Making a student afraid for his or her physical safety			

Participants were also asked demographic questions on gender, race/ethnicity, annual household income, education and insurance status.
